Hobby Lobby is only the beginning

The controversial Supreme Court decision regarding Hobby Lobby was explained in detail over a year ago in this 72 page booklet titled "Birth Control, Insurance Coverage, and the Religious Right" by bestselling author A.F. Alexander. In this short book, the author covers: The Citizens United of Religious Liberty, Religious Right Controlling the Birth Control Argument, Dangerous Precedent: Religious Exemption from Federal Law, and Any Objection is More Important than a Woman's. Man or woman, you need to read this short work that explains the far-reaching impact and dangerous legal precedent of the Hobby Lobby decision.

The birth control insurance coverage debate involves many issues that have far reaching consequences. This booklet, from the author of the best selling book "Religious Right: The Greatest Threat to Democracy," delves past the rhetoric and delivers a commentary on what is really at stake while debunking misconceptions and propoganda. Go beyond the noise and be informed on the motivations and repercussions of the anti birth control coverage crusade. This work is timely with valuable information and insight for today's men and women. No matter what side you find yourself on with this issue, you owe it to yourself to read this short treatise.
